

ANNUAL REPORT 2022-23

Government Bangabandhu College, Goplaganj

Professor Md. Ohid Alam Lasker
Principal
Govt. Bangabandhu College, Gopalganj

Message

Our cordiality is imperative to accomplish our duty to turn the celebration of the 100th birth anniversary of the Father of The Nation Bangabandhu Sheikh Mujibur Rahman into a historical event and a milestone by being self assured. Those who are involved in teaching among us would have to thrive for professional development to become self-assured. And to be sincere we have to understand what is our foremost duty and how can we make the way of achieving the goal of the students simple, beautiful and humanitarian. Our Father of The Nation can become the vanguard of a teacher's self assurance and cordiality in fulfilling his duty. He was firm and cordial to materialize the Bengalis' thousand years dream to be independent. And the very two qualities flourished in him due to his love for the nature and people of the country. That's why Bangabandhu is not only the Father of The Nation but also the teacher of the nation for a thousand of years. He is not customary rather "Popular" teacher. Like a teacher who becomes humanitarian while loving his children and students, similarly he said, "Today the world is divided into two- the oppressor and the oppressed. I am in favor of the oppressed. We want to build the Golden Bengal of his dream. That's why golden people are needed. That entity of golden people can be found in the lifestyle of Bangabandhu. The motto of Govt. Bangabandhu College is Knowledge-Discipline-Sanctitude that is earning knowledge, foster knowledge, organize knowledge and deploy that organized knowledge in your life and in people's service. This is the procedure of becoming golden people in the Golden Bengal.

Chapter – 1 Introduction

Govt. Bangabandhu college is an acclaimed name in the southern part of Bangladesh that has eminent role in spreading education in this part of the country. Government Bangabandhu College is a traditional educational institution. It is located in the heart of Gopalganj city. The institution was established in 1950 by the active initiative of the then student leader and later Father of the Nation Bangabandhu Sheikh Mujibur Rahman and with the overall cooperation of the local people. Earlier there was a high school called Missionary School in place of this college. Bangabandhu Sheikh Mujibur Rahman passed matric from this institution in 1942. The institution established in the 1950 in the centre of Gopalganj. The institution was named after the name of Bangabandhu Sheikh Mujibur Rahman, the greatest Bengali of thousand years, the great architect of independent of Bangladesh 'Bangabandhu Mahavidyalaya' after independence in 1972. This college was nationalized in 1974. In 1996, honors and masters courses in 10 subjects were introduced in this college. Currently, various developmental activities are ongoing. The higher secondary teaching program of the college is being conducted in a completely different campus. The number of students has increased to about 19,000. Located in the center of the city in a pleasant environment, all activities up to HSC, Bachelor (Pass), Bachelor (Honours) and Masters classes are being conducted smoothly in this college.

The devotion of the competent Principal and teachers has contributed much to the earning of much reputation and enrichment of the institution at present time. The college is running successfully its academic activities including Science, Business education, Arts at HSC level; BA, BSS, BBS, BSC Bachelor Degree (Pass) courses, Honours and Masters in Bangla, English, Economics, , Political Science, Philosophy, History, Islamic History, Islamic Studies, Physics, Mathematics, Botany, , Accounting, Management , . The running Principal & Vice Principal with their heartiest cordiality have turned the college into a sanctuary for the meritorious students. There are Four hostels, accredited for HSC, Honours & Masters students, running successfully. To facilitate cultural activities a permanent stunning stage has been established. The college campus has been gorgeously decorated with many of its rebuilding and infrastructural development initiatives. The authority has continued its endeavor to establish a multipurpose building. The institution is recognised as the best institution in Gopalganj in respect of passing rate & obtaining GPA 5. Every year the students of this college take place in reputed public & private universities, medical colleges as well. With regard to securing first class in Honours & Masters, its success is noteworthy.. It is furnished with a rich library, , auditorium, and a mosque. Moreover, BNCC & Rover are very active in the campus the number of participants in many literary & cultural activities are higher than that of any other institution of the city. The students of this college actively take part in many national level competitions and earn distinction every year. It is worth mentioning that many former & present students of the college have kept themselves engaged in many humanitarian activities upholding the spirit of our liberation war. This great institution is expanding its influence over the family, society, country as well as the world. Hence, it is a sacred duty assigned to all of us to keep its glory intact.

Highlights of the Year

Key Achievements and Highlights of the Year of the College

Academic:

- Examination results: 90% participation in the online final exam with pass rate of 83%
- Term Papers: 100% participation in submitting the term papers
- Attendance: 59% (in Classes)
- Classroom Performance: Satisfactory.

Technological Development:

The surveillance system of all of the entry-exit point, full campus, library and about all the corridors are improved by the use of CC Camera. In addition to this there is a Vigilance system where the teachers are vigilanced during the class time.

Non-cognitive factors:

- MENTOR: Students are grouped under a teacher called MENTOR who counsel the students
- Motivation: Constant motivation is going on to actively take part in the process of learning as motivation involves biological, emotional, social and cognitive forces, teachers are constantly engaged in initiating and encouraging those faculties.
- Self-Control: Students are constantly encouraged by the teachers to develop the ability of controlling themselves and regulate their emotions, thoughts and behavior in the face of temptations and impulses as it is an executive function, it is necessary for achieving specific goals.
- Cultural Activities: To boost the students mental and physical health better cultural activities were arranged in different occasions.

Key Achievements and Highlights of the Year of the Departments

All the departments of the college individually arranged DEYALIKA competition, Cultural Competition, Physical & Mental Health Management Seminar..

Highlights of Student Activities of the Year

Academic:

- Classroom Performance: Classroom performance is an example of student response system. It is the key of learning. It allows the students to take part actively in the process of learning. Still our students are less inquisitive, but we have been trying to encourage them asking questions which are most important factor of inquisitiveness. And students are gradually responding to this system. We have succeeded a lot in doing so.
- Sitting for examinations (Internal/External): Sitting for examination is the conventional feedback of learning system. Though it is directly related to the academic recognition, students are very keen to attend all kinds of feedback on examination performance. Here the participation of the learners is almost 100%.

Extra-curricular Activities:

- Sports: The College is champion in most of the sports in Inter district Competition.
- Social Activities: The teachers of these college made a fund namely “ Manobik Sohayota Fund” by donating themselves to support the students, colleagues from internal and external colleges.

Chapter 6 Concluding Remarks

Overall Assessment of Performance of the Last year and Key Target for the Next Year

The teachers and the employees showed creativity and innovative skills in continuing academic and official activities in the changed pandemic situation. They showed quick adaptability and communicative skills too. The all these are the part of their accountability with the profession. They also developed problem solving and inter personal skills.

If the pandemic situation continues, we must carry on the technology-assisted programs to ensure the virtual attendance, punctuality, productivity of quality work, mutual cooperation, coaching and training skills and so on.

We will arrange more in-house training programs, national and international webinars, cultural competition on virtual platforms, awareness programs and so on.

Evaluation systems will be introduced to ensure the professional commitment of the teachers and the employees as well.

With the development of pandemic situation, programs of virtual platform should be minimized and classroom based activities should be restored as it were previously.

Key Challenges and Risks for the College

Risk Factors:

- Lack of motivation for academic performance
- Changing negative attitude to positive
- Help to boost up self-respect and level of confidence
- Reducing psychological problems
- Reducing under preparation for academic

feedback Key Challenges:

- Overcoming the academic loss during COVID-19 period
- Enhancing classroom performance
- Setting up technology based classrooms
- Developing behavioral pattern and cultural attitude
- Increasing guardians involvement
- No student should be left behind

Recommendations

If we find any change in ongoing pandemic situation, we should increase technological facilities, such as Wi-Fi access for both of the teachers and students. In the periphery where Wi-Fi access is not easy students should be provided with mobile data facilities almost free of cost. Effective online examination system should be innovated. Teachers and officials' efficiency should be increased in technological fields by imparting training programs. They should be encouraged to be technology savvy. Some activities should be conducted by maintaining physical distance and health issues.
